

PYROflam®

The dish that does it all!

Pyrex® is a trademark of Corning Incorporated licensed by Arc International Cookware SAS, used by permission

Freezer to hob to fridge to oven to microwave to tap to table...

Everybody needs a one pot solution and Pyroflam® really does do the lot. It's heat resistance (from -40°C to +800°C) allows you to go directly from freezer to top of stove, from oven to tap water, without hesitation.
